OF THE

COLLEGE OF THE IMMACULATE CONCEPTION, NEW ORLEANS.

This literary Institution incorporated by the State of Louisiana, and empowered to confer degrees, is conducted by the Fathers of the Society of Jesus.

The buildings are well adapted for educational purposes. A Court-yard entirely cut off from the street, is reserved for recreation; so that, from the arrival of the pupils, at 7:30 A. M. till their departure at 3 P. M., they are constantly secluded and superintended.

The course of instruction is three-fold : Preparatory, Commercial and Classical

The Preparatory Course is intended to perfect the students in Reading and Writing, and to teach them the elements of Grammar, Arithmetic, History and Geography. It is completed in two years.

The Commercial Course embraces a thorough study of English Grammar, Arithmetic, Book-keeping, History and Geography, and requires generally two years

The Classical Course embraces, besides all the branches of the Commercial Course, Latin and Greek, Rhetoric, Algebra and Geometry, Mental and Natural Philosophy, Chemistry and Astronomy, and the higher branches of Mathematics.

French is taught in three courses, together with English. Students are not admitted unless they know how to read and write.

The moral and religious training of the students is the leading object of the instructors.

Every month a report is sent to parents, stating conduct, progress, rank in class and attendance.

The Academical year begins on the first of October and ends about the 31st of July.

REGULATIONS OF THE COLLEGE.

7:30, A. M.—Students are admitted into the court-yard.

8:30, A. M.—Mass—All should be present.

9, A. M.—Class.

10:30, A. M.—Recess.

10:45, A. M.—Class.

12, M.—Recess.

1, P. M.—Class.

3, P. M.—School closes.

Thursday is the weekly holiday.

Mass and communion once a month, at 7 A. M., on Sundays.

Regular attendance is required, as being indispensable to the progress of the student, who otherwise would miss lessons and explanations which cannot be replaced by private study. Hence, non-attendance is subject to punishment, unless accounted for by a note from home. It is hoped that parents will be very particular in this respect, and also in regard to the performance of a task assigned for each day. They are requested to see that their sons study at least for three hours every evening.

T. W. BUTLER, S. J., President.
